Section III – Federal Awards Program Findings and Questioned Costs

Finding #	04-F1
	CFDA No. 93.600 Headstart/Early Head Start
Compliance Requirement	Matching
Criteria or Specific Requirement	To provide reasonable assurance as to whether the County met its matching percentage requirement in accordance with its grant agreement.
Condition	The County is required to provide a twenty percent (20%) match of the total federal funds expended for the Headstart/Early Head Start Program. This match can be met through cash or in-kind contributions to the program.
Questioned Costs	None.
Context	Per review of the financial status report for grant #04CH0119/38 the County did not meet its 20% required match.
Effect	The County did not meet its matching requirement. This could result in the County losing future funding under the grant agreement.
Recommendation	The County should establish procedures to ensure that it monitors on a regular basis its grants matching requirements and identifies sufficient allowable sources of contributions (i.e., monetary or in-kind) in a timely manner to ensure that it meets its grant requirements.

Corrective Action Plan

Year ended September 30, 2004

Finding# 04-F1

CFDA No. 93.600

Headstart / Early Head Start

The Community Action Agency (CAA) concurs with the recommendation and has implemented procedures to ensure that it complies with its grant matching requirements and is able to proactively identify sufficient allowable resources of contributions in a timely manner. During the annual budget process the grant accountant will review the matching requirements of the grant and will identify the allowable resource or resources which will be used to comply with the matching requirements. This will be reviewed and approved by the accountant 3 and / or the fiscal manager prior to incorporation in the budget. For the year in question, the CAA has reviewed and updated the dollar valuation of space cost for the corresponding facilities. The Department is in the process of submitting a final 269 financial report to the grantor.

Summary Schedule of Prior Audit Findings

Year ended September 30, 2004

Finding 03-F1

CFDA 97.056—Port Security Grants for Critical National Seaports
US Department of Homeland Security

Current Status

The Seaport Department (the Department) has established procedures to achieve compliance. During the 2004 fiscal year the Department enters all grants and the corresponding deadlines into an on line task system. The system provides the users with reminders of upcoming and pending events that require action. This enables the grant accountant, the grant administrator and the appropriate accounting staff to proactively follow through on the required pending item and ensure compliance with reporting requirements.

Finding 03-F2

CFDA 97.056—Port Security Grants for Critical National Seaports
US Department of Homeland Security

Current Status

The Seaport Department (the Department) has established procedures to achieve compliance. During the 2004 fiscal year the Department prepares a grant routing packet. This packet summarizes what has completed and what should be reviewed and approved. The packet is prepared by the grant accountant and routed through various levels, including the Assistant Director of Administration. Once the packet has been approved it's returned to the grant accountant for further processing.

Finding 03-F3

CFDA 93.569—Community Services Block Grant

U.S. Department of Health and Human Services

Current Status:

The Community Action Agency Department (the Department) has established procedures to achieve compliance. The Department has assigned a grant liaison to remind staff of upcoming reporting deadlines. The grant liaison sends e-mail reminders to the respective grant staff and his / her supervisor. To adhere to the timely submission of the Quarterly program reports, staff is required to submit their respective report to his or her supervisor with adequate time to reach the funding source by the twentieth of each month following the end of the quarter.
